

The German Social Accident Insurance Institution for the woodworking and metalworking industries  
(Berufsgenossenschaft Holz und Metall) hereby certifies that

**Company**

**Wärme & Kältetechnik vor dem Brocke GmbH  
Schüttelsand 4  
49808 Lingen**

meets the formal requirements of systematic and effective occupational safety  
and health, in accordance with the results of a virtual level 1 assesement, on the basis of the

**“Systematic Safety“ seal of approval**

for the industry-specific implementation of

**NLF / ILO-OSH 2001**

**Guidelines on occupational safety and health management systems  
(International Labour Organization).**

The assessment of the Compliance aspects will take place after the pandemic situation has subsided.  
The virtual assessment on May 05, 2021 was carried out in accordance with the  
„DGUV procedural principles for the assessment of occupational safety and health management systems“.

This certificate will remain valid until May 05, 2022.
